

## Logistic Arrangements for NABCB Assessments

As you know, NABCB books all the travel tickets for assessment team for your office/witness assessments and bill to your organization later for payment.

You are requested to make the logistic arrangements (booking of flight tickets etc.) of the assessment team for all your assessments with effect from **1<sup>st</sup> November 2019**.

Once the assessment team is announced by NABCB dealing officer, you may contact the team and book the tickets in consultation with them.
