### Management System Accreditation Schemes (QMS, EMS and OHSMS)

Date: 26 November 2021  
(03:00 – 05:00 PM)

#### Programme Learning Objectives:

The purpose of the programme is to create awareness among the stakeholders about NABCB accreditation programme and the benefits of using ISO/IEC 17021-1:2015 accredited certification bodies for Quality Management System (QMS), Environmental Management System (EMS) and Occupational Health and Safety Management System (OHSMS) schemes.

The programme will also provide insight into the process used for seeking NABCB accreditation along with the overview of requirements of ISO/IEC 17021-1 standard and the applicable IAF Mandatory Documents.

#### Target Audience :

- Certification Bodies
- Industries / Industry Bodies
- Regulatory bodies, Government organisations, Public Sector Undertakings
- Any other interested stakeholder

#### Outcome :

- Benefits of NABCB accreditation
- Enhanced understanding of NABCB Accreditation criteria, process and accreditation standards
- Enhanced understanding on International Accreditation Forum (IAF) requirements
