NATIONAL NEWS

QCI Celebrates Silver Jubilee on 06th Oct 2022

Quality Council of India was set up in 1997, jointly by the Government of India and the Indian Industry represented by the three premier industry associations i.e. Associated Chambers of Commerce and Industry of India (ASSOCHAM), Confederation of Indian Industry (CII) and Federation of Indian Chambers of Commerce and Industry (FICCI), with Ratan Tata as its first Chairman. Over the past 25 years, QCI has created various boards viz- NABCB, NABH, NABET, and NBQP to take over the functions of accreditation and quality promotion.

QCI Celebrated its Silver Jubilee event in the year 2022. The event was graced by dignitaries including Sh. Piyush Goyal, Hon'ble Minister of Commerce & Industry, Textiles and Consumer Affairs, Food and Public Distribution; Sh. Amitabh Kant, Sherpa to G20 & Former CEO, NITI Aayog; Sh. Anurag Jain, Secretary, DPIIT; Sh. Anil Agrawal, Additional Secretary, DPIIT.

The event comprised of panel discussions on the quality ecosystem being an enabler for 'Make in India', achieving India's growth vision for 2047 through speed, scale, digitalization & quality, and discussion on the 'Heal in India-Heal by India' initiative.

To celebrate the journey of quality and excellence that India stands for, QCI has launched a marquee campaign–Gurvatta Se Atmanirbharta: India's quality movement. The campaign aims to celebrate India's quality hubs, create awareness about India's landmark achievements and inform people about the many initiatives that India is embracing with an aim to enhance the quality of lives of all our citizens.

NABCB had invited Mr. Emanuele Riva, Chair International Accreditation Forum (IAF) & Mr. Matt Gantley, CEO, UKAS as speaker for the technical session 1- "Quality ecosystem: an enabler for Make in India". The speakers shared their views on Accreditation and highlighted the importance of accreditation to create a quality ecosystem in the country.

NABCB Launches new Accreditation Scheme for Facility Management Systems in accordance with ISO 41001: 2018

NABCB Launches Accreditation Scheme for Certification Bodies certifying organizations for Facility Management Systems in accordance with ISO 41001: 2018.

With the launch of Facility Management Systems scheme NABCB has become one of the few accreditation bodies globally for granting accreditation to Certification Bodies certifying organizations providing facility management as per ISO 41001: 2018. This Standard provides a robust framework to develop, implement and maintain effective facilities management globally, in a variety of industries. This standard is not sector specific and it is applicable to all organizations or parts of organizations whether public or private sector, regardless of the type, size, and nature of the organization or geographical location.

NABCB intends to serve the industry, relevant stakeholders, and country with the launch of the Facility Management systems. This has further aligned with the QCI & NABCB vision and mission to improve the quality of life for common citizens of India and make India self-reliant.
